

# Miller Professional Development Scholarship Guidelines

## College Stores Association of North Carolina

CSANC Scholarship Committee (2014) has adopted the following guidelines to govern the awarding of CSANC's Miller Professional Development Scholarships.

1. Scholarships are awarded by CSANC to stores to cover the cost of CSANC Annual Meeting attendance by individuals who are interested in making a career in the college store industry. Scholarship applications along with a completed CSANC registration form must be returned 10 days prior to the opening date of the CSANC Annual Meeting to allow time for processing.
2. A completed scholarship application must be signed by the store manager. Applications should indicate why the scholarship is necessary.
3. A store may be awarded one scholarship every other year based on CSANC's Fiscal Year (January 1 – December 31), subject to availability of funds.
4. Scholarships will only be provided to cover the meeting registration fee and the cost of two nights lodging at the meeting host hotel. Scholarship recipient's sharing hotel rooms will only be eligible for one nights lodging.
5. Scholarships have been established to promote the attendance from stores, which could otherwise not be represented. Scholarships will be awarded based on (but not limited to) several criteria including the following.
  - a. To allow first –time attendance by an individual.
  - b. Level of individual need as expressed in the scholarship application
6. CSANC will provide a Meeting Evaluation Form with the scholarship. The scholarship recipient will complete the form within 30 days after the program and return in to CSANC to be used for reporting purposes.
7. The CSA-NC Scholarship Committee is solely responsible for all decisions regarding the awarding of CSA-NC scholarships and reserves the right to accept or reject any application. CSANC Scholarship Committee members and their respective stores are prohibited from receiving scholarships while serving on the Scholarship Committee.
