#### Qualifications

Companies and sales reps that sell to college bookstores in the State of North Carolina are eligible for membership in CSANC-Associates. There may be more than one member from one company. There may be multiple companies for one member.

#### Benefits

Membership entitles you and one company to be listed in the online directory giving bookstores and vendors direct information to buyers and sellers of college goods and services. Multiple line reps wanting companies to be listed on the web site will require a membership for each listing. Duplicate this form for each membership. Each member will be given a password to gain access to this information. Non-members will not have access.

#### Trade Show

The Table Top Expo is one of the highlights of the CSANC annual meeting. Members in good standing for fiscal year 2015 are invited to exhibit at the Table Top Expo upon renewing membership with payment of 2015 dues in the amount of \$40.00. Members not in good standing financially who wish to exhibit in the 2015 Table Top Expo must submit \$80.00 to covers dues for 2014 and 2015.

First year/New members paying 2015 dues are not permitted to exhibit or distribute any wares or literature, however, they may attend the meeting to interface with bookstore personnel for introduction and appointment making purposes. First year/New members who would like to exhibit at the Table Top Expo must submit \$80.00 to cover dues from 2014 and 2015. If you do not plan on exhibiting at the Table Top Expo, \$40.00 is required for 2015 membership dues.

Applicants are voted in by the membership and are reviewed and renewed annually. If accepted, I agree to abide by all rules and regulations of the CSANC-Associates.
