Benefits

Membership entitles you and one company to be listed in the online directory giving bookstores and vendors direct information to buyers and sellers of college goods and services. Multiple line reps wanting companies to be listed on the web site will require a membership for each listing. Duplicate this form for each membership.

Each member will be given a password to gain access to this information. Non-members will not have access.

The Table Top Expo is one of the highlights of the CSANC annual meeting.
